GREETINGS FROM THE CHAIRMAN

WORLD HARVEST was founded in 1989 by DR Jimmy Oentoro. Since then it has grown into an international humanitarian organization dedicated to transform communities, cities & nations through its three pillars of services: Creative Community, Education & Media. For more than 30 years, World Harvest has always contributed to implementing community development programs in accordance with the Sustainable Development Goals (SDG's) nationally & globally, in form of our 3 pillars of impact:

- **Education**

World Harvest has established 10 Wahana Harapan schools from kindergarten to senior high school in 4 locations: Tegal Angus (Banten), Kampung Melayu (Banten), Kedaung (Banten), and Mt. Sitoli (Nias) to provide quality education for unprivileged children. We also established Harvest Christian School (Banten), Harvest International Theological Seminary (Banten) & School of Technopreneur Nusantara (Jakarta).

- **Community**

World Harvest has adopted 17 underprivileged communities in Indonesia and 5 in other countries to provide community development services. One of our main objectives to impact the community is through "Sponsor a Child" Program which is supported by the involvement of individual or corporate donors. World Harvest distributes holistic aid to around 2000 children and families annually through our holistic program for kids (Education, Health & Talent Development) & Family (Micro Business).

In addition, we also take part in national disaster relief, and provide Covid-19 health aid to various health facilities around Indonesia (Jawa, Sumatra, Kalimantan, Sulawesi, and Papua) and other countries.

- **Media**

The media is a powerful platform that has the power to significantly influence and empower people both in rural and urban areas. Media, in the form of television and other digital programs, play a huge part in shaping the attitudes, values, and behaviors of the viewers. World Harvest established U-Channel TV that aims to reach 60 million potential viewers around the world through satellite and digital airing platforms.

At World Harvest, we believe:

"TOGETHER, WE CAN CREATE A BETTER TOMORROW"

IMPACT OF WORLD HARVEST GLOBAL

WORLD HARVEST GLOBAL PAKISTAN

MICRO FINANCE

Worldharvest has launched a micro-financing program in Toba Tek Singh under the leadership of Pastor Morris Azeem. This innovative program supports Pastor Morris's mission to combine dairy farming with gospel outreach. By providing financial resources to local residents, Worldharvest aims to empower them and improve their lives.

SAC QUETTA

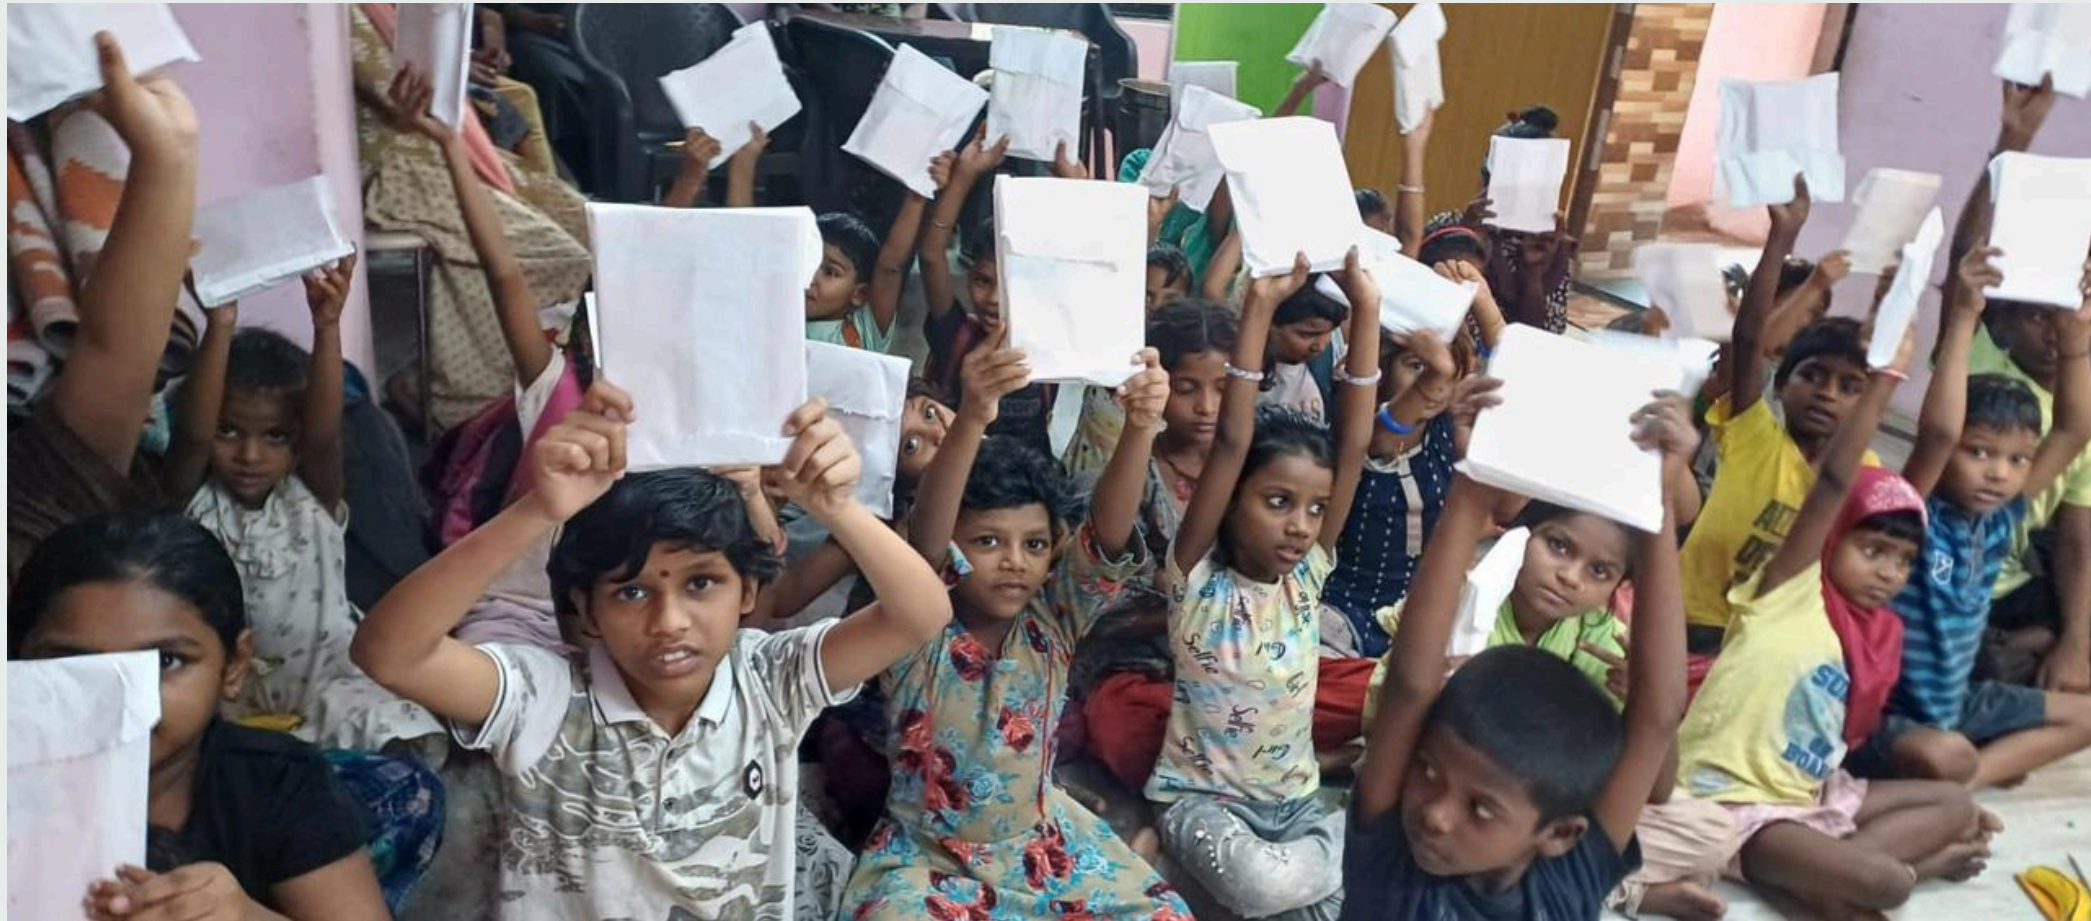

SAC Quetta launched in March 2024, just a month after a major renovation of the school building. The program has already enrolled 70 children and is expected to continue growing. This is a testament to the positive impact SAC is having on the community.

WORLD HARVEST GLOBAL INDIA

SAC INDIA

SAC India was founded in 2023 with the mission of rescuing orphans from slum areas and providing them with educational opportunities. These children are particularly vulnerable to human and organ trafficking. Our approach involves bringing these children to our center, where they receive daily meals and instruction in fundamental reading and writing skills. Additionally, as part of our community development initiatives, we distribute school supplies in March and backpacks in August.

WORLD HARVEST GLOBAL SIERRA LEONE, AFRICA

SAC SIERRA LEONE
Our community in Canyon Hills has completed construction of its new facility and is now focused on providing clean drinking water to the community. A deep well has been dug, but a drilling machine is needed to break through a granite formation. With WorldHarvest's support, we aim to provide pure water to 50 families. Kids Camping was a successful residential program for 100 children held from August, 2024. Participant had the opportunity to explore their talents through activities like dancing, singing, and drama. Participants also learned about important topics such as gender equality, technology, and entrepreneurship through engaging symposiums.

WORLD HARVEST GLOBAL AFGHANISTAN

In Late June 2022, a magnitude earthquake struck the provinces of Paktika & Khost, killed more than 1,100 People and injured more than 6000 people. Through this tragedy, World Harvest was given the permission by the taliban ruler to establish a Shelter-base of operation in the town of Gyan. We provided holistic aid to help hundreds of people that affected by the earthquake.

PILLAR OF EDUCATION

EDUCATION PILLAR

HARVEST CHRISTIAN SCHOOL

(HCS) Harvest Christian School was established in 2008, with the vision to integrate knowledge, experience, and biblical values to produce future leaders that will contribute to the society. HCS also received an A grade accreditation from the National Accreditation Board, depicting the quality of the education of the institution. For the years ahead, HCS will continue to commit to being a plus school that teaches the importance of integrity, empower students with the continuous changing of knowledge and technology and equipping teachers with necessary training so that the school will be relevant and meet the needs of the students.

EDUCATION PILLAR

HARVEST INTERNATIONAL THEOLOGICAL SEMINARY

One of the values that World Harvest adheres to is the ability to raise well-informed leaders who encompass integrity, knowledge and compassion. As one of the leading theological seminaries in the country, Harvest International Theological Seminary, the faculty strive to provide a strong foundation of biblical values that is applicable and relevant so that our students can contribute and bring positive influence and impact to their families, colleagues and society at large.

COMMUNITY PILLAR

FOKUS PADA KELUARGA & GENERASI INSPIRASI

Fokus Pada Keluarga has come to Indonesia since 1996 with the aim of restoring and empowering families in Indonesia by establishing positive values for family life through activities such as seminars, family bonding events, workshops, training and counseling.

Generasi Inspirasi (a part of the Fokus Pada Keluarga) is a program designed to empower teenagers and young people with the positive values on how to live with no regrets. We offer curriculums such as Who am I, Media & me, Boundaries & Choices and Healthy Relationship. We believe this program will give the participants the basic understanding on how to navigate their young lives with responsibility and right choices.

Generasi Inspirasi has reached more than
